

Nuo Tian

Web and Design Associate

Nuo Tian is a Web and Design Associate at the Georgetown University Center on Education and the Workforce. In her role on the Communications team, her focus is on website development, graphic design, and video creation.

Prior to interning with CEW, Nuo earned her certificate as a full-stack web developer from UC Irvine. She currently is a first-year Master's in Analytics(Data Science) student at Georgetown University. She is also a member of GU Analytics for Nonprofits and working on analyzing Monarch Butterflies data with a biologist at the Smithsonian Conservation Biology Institute's Center.
